Subject: Installation of the Jammu Airport (AAI) Flybrary Drop Box reg;

The Central Library is pleased to announce the installation of the Jammu Airport Authority of India (AAI) Flybrary Book Drop Box within the library premises at Chatha. Provided directly by the Jammu Airport Authority, this initiative is designed to foster a vibrant reading culture and encourage community-driven book donations.

How the Flybrary Operates?

The system runs on a trust-based, self-service model driven by a simple core philosophy:

"Take a Book – Leave a Book"

It serves as a self-sustaining repository where literature from SKUAST-Jammu is funnelled to the Jammu Airport, allowing readers to choose books during the waiting period of their journeys.

Call to Action for the University Community

All students, faculty, scholars, and staff are warmly encouraged to participate by donating good-quality, diverse personal reading materials, including:

- Academic and personal study books
- Magazines, popular fictions and classics

Your contributions will directly help connect our campus intellect with the wider travelling community.
